Booted offers a wide range of community, business, solutions, and conflict resolutions from consulting to implementation and support:

We are driven by a social mission and reinvest profits into creating positive social change.

Booted and Rooted is now multi-award winning, *a non-profit* organization, for putting the interests of people and the planet ahead of shareholder gain.

"It must never be forgotten that this fourth ray of conflict is the ray whose energies, rightly applied and understood, bring about harmony and at-one-ment. The result of this harmonizing activity is beauty, but it is beauty that is achieved through struggle. This produces a liveliness through death, a harmony through strife, a Union through diversity and adversity". Alice Bailey
